

“ACES” - Alumni Career Execution Services

Objective:

The program provides tools, direction, resources, the map and a compass for the path ahead via personal consultations with a knowledgeable career counseling expert.

Specific offerings as needed include

- Drafting cover letter per specific job posting
- Drafting resume per specific job posting
- Creating specific content for a specific job posting
- Mock interviews
- Search for job postings
- Networking client to industry
- Marketing yourself to employers/the industry

Provider:

Paul Carpino, M.A. is an author, columnist and career counselor. He has served as Director of Career Services at Flagler College in Saint Augustine, FL, the nation's oldest city. He launched his first career in hospitality, after earning a BA from the University of Nevada Las Vegas. Paul has worked in many aspects of the hospitality industry from hotel/casinos to fine dining/catering houses. He earned a Master of Arts Degree in Professional Counseling, with a focus on Career Counseling. Paul has written and presented seminars on internships, resumes, interviewing, job search, salary negotiation, organizational research and professional etiquette. He embarked on a project to gain relevant, grounded insight into career development and share it with students and professionals. This research has been published in his new book, "Now, Launch Your Career."
