

HOUSING OPTIONS

The list below is for your reference only. The school does not recommend any property or assume any liability for housing options selected. Assistance can be provided however to help meet your specific needs.

A number of housing options are available close to the school.

There are three main types:

HOMESTAY

These are furnished rooms located in private homes. Homeowners or “host families” may provide dining or transportation at additional cost by private arrangement. Costs range from \$600-\$750 per month. All utilities included. Please contact the school (info@tisoh.com) for a referral.

APARTMENT RENTAL

The listing below is for apartment complexes who agree to provide short term leases to students. The costs listed are for furnished apartments. Mention the school when you contact them in order to avail yourself of the short term lease option. Furnished apartments include utilities set at a predetermined level. Excessive utility charges over a set amount will be charged to the tenant. The school can assist in finding roommates if desired.

EXTENDED STAY PROPERTIES

Extended stay properties are suite hotels that provide furnished accommodations.
